Thank you for your interest in joining Lombard Swim Club. By submitting a completed waitpool application, which includes a $200 application fee, you will be placed in our Associate Member Waitpool. You will receive a confirmation email upon the processing of your application and then notified when space becomes available. The waitpool fee is neither refundable nor applicable to future membership dues.

Most households that received a membership offer in 2026 joined the waitpool in 2016 and 2017. The vast majority of membership offers are granted chronologically. However, the Board reserves the right to offer membership to a small number of households that are out of sequence.

Please notify us of any changes to your contact information. We will need this to reach you in the future. To send updates, you may email us at waitpool@lombardswimclub.com. We recommend saving this address to your contact list to help ensure our emails do not go to your spam.

Please scroll down to view the application. To submit an application, please print, complete, and remit to:

There is no need to return this informational page with your completed application—we suggest retaining it for your information.

Waitpool applications are processed in batches about once a month. During our busiest times, and especially in the late-winter and spring when we are processing the current season's memberships and making waitpool membership offers, application processing may be delayed further.

PLEASE NOTE – Credit cards are not currently accepted; only checks.
